Welcome Message

Dear Colleague

It is our pleasure to invite you with your families to Hyderabad for the **19th Annual Conference of Orthopaedic Association of South Indian States (OASISCON 2020)**. The conference will be taking place at Taj Krishna, a Luxury 5 star Hotel from 7 - 9 August 2020.

A fantastic scientific feast awaits you. The conference will have mostly case based discussions, Evidence versus experience sessions, Debates, Meet the masters, Breakfast sessions, a PG training programme apart from various workshops that are being planned encompassing all the sub-specialities of Orthopaedics.

Do bring along your family. A three day sight-seeing tour with visits to Historic places, various bazars and malls is planned to keep them busy and entertained. Above all, you and your family will be served the best of Hyderabad Biryani and cuisine.

To give you a pleasant break from our busy scientific session schedules, we have planned non-academic sessions by eminent speakers as well as cultural programmes during the evenings.

Welcome to the city of Pearls and Nizams.

About Hyderabad

Charminar

Hussain Sagar

Endearingly called the Pearl City, Hyderabad offers a variety of tourist attractions ranging from Heritage monuments, the zoo, Lakes and Parks, Gardens and Resorts, etc. The city is well known for its Salarjung Museum, delectable cuisine like the Hyderabadi Biryani and a delightful shopping experience, with dazzling Bangle and pearl markets. Technology, ITES and Biotechnology.

For the families ...

An exciting program for your spouse and children....

Guided tours will start from Friday 7 August, 2020 till the end of the conference.

There will be visits to the Forts, Museum's, Palaces, and Lakes in and around Hyderabad. The families will be entertained with visits to malls and the streets around Charminar where they will experience the famous Hyderabadi bangles, pearls and cuisines.

Don't miss the morning walk at KBR - 8 August 2020

A walk in the natural forest in the middle of the city would be great for your body and soul. The park has over 600 species of plant life, 140 species of birds and 30 different varieties of butterflies and reptiles. Some of the animals making their home in the park include Pangolin (small Indian civet), peacock, jungle cat and porcupines. The water bodies in the park provide the needed moisture for the plants, and quench the thirst of birds and animals.
