CME Program

TOSA Advanced Trauma Care Support Course (based on ATLS® principles)

One-Day Continuing Medical Education (CME) on tosa- Advanced Trauma Life Support (ATLS)

Theme: “Saving Lives through Structured Trauma Care”

Target Audience

- Orthopaedic Surgeons
 - Postgraduate Trainees (Ortho)
-

Duration

1 Day (2 CPD POINS)

Venue

Trident hotel, Madhapur , Hyderabad

21/9/2025

Program Schedule

08:30 – 09:00 | Registration & Breakfast

09:00 – 09:15 | Inauguration & Welcome Address

- By HOD, Department of Trauma & Orthopaedics

09A:15 – 10:00 | Session 1: Principles of ATLS

- Primary survey (Airway, Breathing, Circulation, Disability, Exposure)
- Golden Hour and the importance of structured trauma protocols

10:00 – 11:00 | Session 2: Airway & Breathing Management in Polytrauma

- Techniques of airway control
- Chest injuries and ventilatory support

11:00 – 11:15 | Tea Break

11:15 – 12:00 | Session 3: Circulation with Hemorrhage Control

- Recognition of shock
- Resuscitation strategies
- Damage control resuscitation

12:00 – 13:00 | Session 4: Head & Spine Trauma

- Rapid neurological assessment (GCS)
- Cervical spine immobilization
- Management priorities

13:00 – 14:00 | Lunch Break

14:00 – 15:00 | Session 5: Musculoskeletal Trauma & Fracture Priorities

- Open fracture protocols
- Compartment syndrome
- Limb-threatening injuries

15:00 – 16:00 | Session 6: ATLS Simulation Workshop

- Hands-on case scenarios
- Splinting, airway practice, shock management

16:00 – 16:30 | Panel Discussion: Trauma Systems in India – Challenges & Opportunities

16:30 – 17:00 | Assessment Quiz & Feedback Collection

17:00 – 17:15 | Valedictory Session & Certificate Distribution

CME Accreditation

Applied for **2 Credit Hours** from Telangana State Medical Council

Materials Provided

- CME Certificate

Organising Committee

- **Course Director:** DR JAGAN MOAHANA REDDY VELPULA
- **Course Coordinator:** Dr. SANDEEP
- **Faculty Panel:** Orthopaedic Surgeons, General Surgeons, Emergency Physicians, ct surgeon
